

CALL FOR PAPER

THE 3RD INTERNATIONAL CONFERENCE ON INFORMATION AND COMMUNICATION TECHNOLOGY 2015

Theme :
Smart ICT for Daily Life

Full Paper Submission Deadline :
January 19, 2015

It is our great pleasure to announce the 3rd International Conference on Information and Communication Technology (ICoICT 2015), sponsored by IEEE, will be held in Bali, Indonesia on May 27 – 29, 2015. The conference is meant to invite international delegates to share their latest research findings on Information and Communication Technology (ICT) and its associated applications while getting to know Indonesia.

Conference Track

Computational Science Theory and Applications

Combinatorial optimization
Game theory
Geometric information processing and communication
Graph theory and application
High performance and parallel computing
Internet algorithm and protocols
On-line and streaming algorithm
Optimization and operation research
Information visualisation and modeling

Data Management, Engineering and Security

Data Structures
Data Storage Representations
Data Security
Database Management
Data Mining
Data Warehousing
Big Data

Social Impact of ICT

Social influence of applied ICT
Computational models of social phenomena
Social collaborative systems
Social network and media analytics
Security, privacy, and trust issues in social media
Reputation and credibility issues in ICT-based applications
Virtual communities and e-society
Semantic Web for social applications
Collective intelligence and social cognition

Applied ICT

ICT for healthcare
ICT for education
ICT for arts and humanities
ICT for tourism
ICT for agriculture and environments
ICT for rural development
ICT for economy and politics
ICT for physical and sport science
ICT for transportation

Network and ComputerSystem

Internet of things
Embedded System
Wireless Sensor Networks
Ad Hoc Network: Mobile, Vehicular
Energy aware algorithms and protocols
Software Defined Network
Content delivery networks
Cloud storage and computing
Multimedia services, transport and sharing protocols
Mobile multimedia services and location-based systems
System Security & Forensic

Non-presented Paper Policy

Committee reserves the right to exclude a paper from distribution after the conference if the paper is not presented at the conference.

Important Dates & Info

Please submit a full paper of 4 to 6 pages to the conference website <http://edas.info/N18571> by 11:59 pm AoE, January 19, 2015. Each paper must be original and not have been published or submitted for publication elsewhere.

Please see <http://www.icoict.org/author-information/> for format information and template. Acceptances will be sent no later than March 23, 2015. The deadline for submitting a revised paper is April 17, 2015. For the full details of ICoICT 2015, including Call for Papers schedules, please see our website <http://www.icoict.org/>. Contact info@icoict.org for more information.

Papers from the previous ICoICT 2013 and ICoICT 2014 have been indexed in Scopus and published in IEEE Xplorer. Thus can be accessed through ICoICT website. The coming ICoICT 2015 will be submitted with the following catalog numbers :

XPLORE COMPLIANT	CFP15ICZ-ART	978-1-4799-7752-9
DVD	CFP15ICZ-DVD	978-1-4799-7751-2

We look forward to your participation in ICoICT 2015!

Regards,
Dana Kusumo and M. Arif Bijaksana
Organizing Committee

Bali Nusa Dua Convention Center

Bali, Indonesia

Venue :
Bali Nusa Dua Convention Center
Kawasan Nusa Dua Blok NW/1 (BTDC), Bali
